# OUR JOURNEY

2015

GI IPL

In 2015, we embarked on our journey in the design services sector under the umbrella of Godha Infrastructures India Private Limited, our construction firm.

2015-2019

GI IPL - GDH

Initially, we focused on providing design services for small-scale projects. Over the course of four years, our experience and expertise grew, leading us to establish Godha Design Hub as a separate entity dedicated exclusively to architecture, landscaping, and interior design.

# OUR JOURNEY

2019

GODHA DESIGN  
HUB

This evolution was driven by our team's unwavering commitment to excellence and collaboration. Under the banner of **Godha Design Hub (GDH)**, we achieved remarkable success. Our journey was marked by a transformation, as we expanded our scope to encompass projects of all sizes and complexities.

2019-PRESENT

GDH

GDH proudly collaborated on numerous architecture, landscaping, and interior projects for esteemed clients. With years of experience and a deep understanding of design principles, we take pride in our ability to turn your dreams into reality.

AND STILL  
GOING
